Do you ever think of the large amount of moisture this winter? What does this mean for dry farming? This year will be a banner year. We have land of the finest kind and most suitable for successful dry farming, in tracts of from 160 to 10,000 acres, and cannot be duplicated anywhere for the very reasonable price you can right now obtain it from us, on very easy terms.

When this land is gone, and it is going fast, we do not know where to pick up another opportunity like it in the best dry farming district in all Utah. This is your golden opportunity. Callon us quick or address box 276.
